Gurton's Plant Shop

...

she_workerbee Tillandsia 🌿 this funky-monkey beauty is officially my new fav tested & assessed air plant. They love sun, need misting once a week, and they are pretty darn cute.

Pro tip: water your plants the same day every week to avoid being a plant killer 🙄

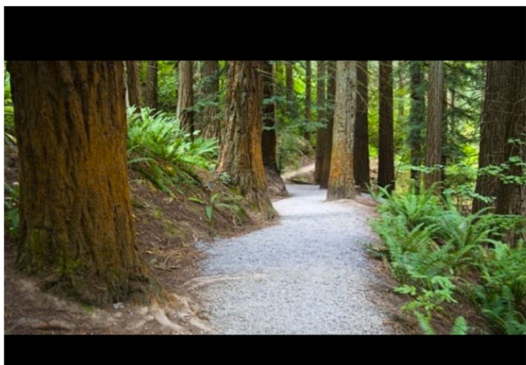

Swing by Gurton's Plant Shop for this sweet plant vase combo! 🍷:
@gurtonplantshop

Follow

bravavail Yesterday we were lucky enough to spend the afternoon with the amazing campers and staff of @roundupriverranch. We can't thank them enough for letting us be a part of that magical place. And special thanks to @chadhoopes and Anne-Marie McDermott for a wonderful performance.

roundupriverranch Thank you for the heartwarming performance @bravavail! Our campers, staff and volunteers loved it!
